Dear Friends:

April - June 2015

I am forever grateful for your faithfulness to the Lord and to the ministry here in Aibonito. I praise the Lord for all that he has allowed me to accomplish by his grace. It is with great joy that I share with you what the Lord is doing at our church!

What a blessing it has been to see how the Lord has transformed the lives of some of our young people. I was privileged to have had Keishla and Melanie as part of your youth ministry. They are truly exemplary young women with a servants heart. Both have been an inspiration to

the other young people.

Melanie just graduated from the Puerto Rico Baptist College (PRBC). She met a godly young man at the college and will be married in the month of June! They departed two days after their wedding as missionaries to Colombia!

Keishla also just graduated from the same college but has another semester of student teaching at the Levittown Christian Academy. Keishla and I are still praying about future plans. I just had a talk with her ad and met some of the family by the fathers side of the family. We hope to visit my parents this fall if the Lord wills and finances allow.

Miguel Angel is a young man who also have shown great interest in the things of the Lord. He will soon be graduation from high school and is seriously considering a attending a Christian college thereafter. We also thank the Lord for those who visited us and pray that they may receive Christ as their Lord Savior.

During these three months we have had several special activities with good attendance. These include Mother's day, Good Friday, Easter Sunday services, graduation and Men's conference.

This summer will also be quite eventful with a litany of ministry activities. We are tirelessly finalizing the details for children's summer camp. Please pray for counselors as it has proved difficult to find workers this year. I will also be helping with two bible clubs in the communities of La Sabana and Algarrobo in Aibonito. Keishla is in charge of VBS at church this year. We are diligently working to finalize the program! Thank you for all your prayers and support!

For more info and pictures on other activities please visit my blog at <http://rogerapapius.wordpress.com>

Please remember the following in your prayers

1. Salvation of Tania, Viviana, Miguel and Angel.
2. Future plans and finances.
3. Ministry here in Aibonito.

Only by His Grace,

Roger Alex Papius
