
Vocational Bible School

(Kids at Bethel Baptist Church – VBS)

(Our Church people who came out to help)

(The property for Kitui Church plant)

Dear Ministry Partner,

We are immensely grateful for your continued support and partnership with us in God's work here in Kenya.

Our Kenyan schools were out on a term break in August. Kids from around our locale came out in large numbers to enjoy games, snacks and Bible lessons.

We praise God that we could do the same program in our new Church plant – Drumvale Baptist. Recently, the government discontinued tuition classes during school holidays. That has made it possible for kids to come over to attend Vocational Bible School in big numbers.

We have been doing it three times a year when schools are out (April, Aug & Dec.) for some time now, but such a program can only be possible if there is help. A couple years ago we had a group from Tri-city which came to help us. It has now gained momentum. Many of our church members came out to help. One lady who was doing a lot of coordinating took time off work for that whole week to help. It is a blessing to see such a commitment from our people. A number of kids were counseled for salvation.

Phase one of developing our Kitui Church property has already commenced. Due to limited inflow of funds, we are planning to do it in 4 phases: **Phase 1-** construction of a site house, bathroom, water sourcing and fencing **Phase 2-** laying the foundation and erecting the main auditorium building **Phase 3-** roofing and installation of electricity **Phase 4-** all the interior details

Praises: Successful VBS, Kitui Church work started, many salvation decisions, active youth & children ministry in our church

Requests: completion of phase 1 of Kitui Church, discipling of those recently saved in our church and schools, Mr. & Mrs. Musembi going to work in Kitui next year, God's protection
