March 2016

Dear Friends,

In this new year we are rejoicing to see how the Lord is working in the lives of believers though the economic and social conditions are going down. We are thankful for the promises of the Lord to take care of His own as it says in Psalm 23:1 "The Lord is my shepherd; I shall not want."

The Lord blessed the evangelistic services which we had last month with Evangelist Ken Lynch. His messages and his music were a blessing, and we had good attendance and with some new visitors. On Saturday evening we had a meal and a time of fellowship before the service and several new visitors came that evening and heard a salvation message.

Please pray for us as we follow up with these contacts.

We are thankful for new believers that are coming to the services. Vilma started attending some of our services and has received the Lord. Please pray for her spiritual growth and the salvation of her husband, Luis. Isabel, a new believer, has attended several times recently, but health conditions keep her from coming as often as she would like.

The class that Angel is teaching in the Bible College is going well. Thank you for praying. We continue to teach and disciple new believers. Margaret has been working with a couple ladies in Barranquitas and they have requested that we come more often. We have started a Bible study in one of their homes and are praying that more people in that area will come to know the Lord. Please pray for the Lord's direction and blessing on this new opportunity to reach souls for the Lord.

Please pray for our special Good Friday and Easter services and that those who are invited will come to hear the good news of salvation. We are also making plans for our summer outreaches to children and youth here in Aibonito.

Thank you for your continued prayers and financial support for the ministry here in Puerto Rico. We appreciate each one of you.

In His service,

Angel & Margaret Espada
