Dear friends,

March 30, 2016

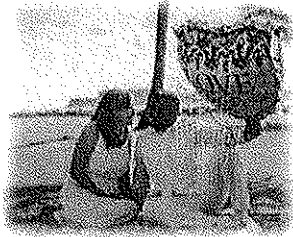

In the inspiring words of the father of modern missions, William Carey, “attempt great things for God and expect great things from God”. I have pondered on these words and consequently have made it my new mantra. This is the specialty of the God whom I serve – For with man it is impossible but with God all things are possible.

In my everyday life and daily walk with God, I see and experience his sovereignty and his mercy, which floods me with gratitude and a burning desire to continue to serve him to the fullest.

Our Youth Ministry has suffered an unfortunate setback in reaching the young people that God has placed in our care. A few of the unsaved have ultimately made decisions that have negatively impacted their lives.

Consequently, this has deepened my burden to help them find Christ and make right decisions that will glorify and honor God. We continue to pray that our young people may have tender hearts, attentive ears and a willing spirit to zealously respond to the call of God. In addition, may doors of opportunity be opened to reach new groups of students in our community.

I am elated to share with you, the much anticipated Marriage news. The wedding is scheduled for July 30th, 2016 in Puerto Rico. We have assiduously been trying to plan the wedding amidst our busy schedule. Keishla is only available on the weekends due to her teaching job this semester and her living accommodations an hour and a half away. We praise the Lord for his favor towards us. He has been graciously providing the wedding necessities.

We were also able to acquire an apartment for rent after we are married! There is still a lot more to be done as the day is fast approaching. We trust the Lord to open doors and to be gracious in providing for us. We hope to take some time to settle down in Puerto Rico and then return to the states to visit our supporting churches, to raise some much needed financial support.

This semester I am teaching Christian living in the Puerto Rico Baptist College, a course I taught a few years prior. It affords me a great opportunity to be able to impact men and women with eager minds as they seek the Lord’s direction in their lives. Preaching at the college chapel is another experience that I cherish dearly, as it brings back to my recollection, how I was once impacted by the

preachers when I too was a student! Do pray for the College as they are going through numerous changes which will impact the future of this ministry.

As some of you may know the Puerto Rican economy is not doing very well and this has caused a mass exodus. Many are leaving the country in droves seeking employment in the United States. This has also impacted our ministry in a number of ways which includes and is not limited to attendance, trained workers and finances. In spite of, we remain optimistic because we know whom we serve! God is ever faithful; we are still blessed with visitors whose lives we continue to impact with the gospel. Please pray for Puerto Rico that God will have mercy and send revival here beginning with us!

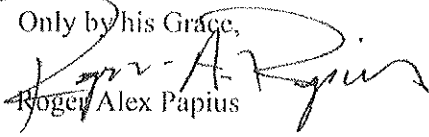

Our January camp, youth adult's camp, in Las Marias turned out better than we expected! Glory to God! There was an increased attendance, far beyond what was projected. We were excited that so many come to hear and learn how to better their prayer lives through God.

We are also working on the Children's summer camp with the hopes that it will be fun and a spiritual revival, where young souls are recruited for Christ. We pray that God will provide counselors to offer guidance to the kids as well.

As a reminder, please pray for following

1. Tanya and Angel – salvation
2. Youth ministry
3. Wedding and future plans
4. Additional financial support.

Only by his Grace,

  
Rogey Alex Papius
