September 2016

Dear Friends,

We praise the Lord for His many blessings on the ministry and in our lives. Although there have been some disappointments in the ministry the last couple months, the Lord continues to bless and work in the lives of people.

In August we had an evangelism seminar and were challenged to witness more for Him. During that weekend, we saw six people put their faith in the Lord for salvation. We have been following up with these new converts. Please pray that the new believers will have a desire to study God's Word and come to church. We showed an evangelistic film one Friday night and had several visitors come. We will be showing another one in October.

Angel had an opportunity to preach in a church in Catano in a missions conference. A new young pastor, a former student of Angel's, wants to start supporting more missionaries and the church has started giving more for missions since the conference. It was a blessing to encourage the church in this effort and to share how the Lord has blessed our missions program. In October we will be having our missions conference.

In September another one of our youth left for Bible college to prepare for the ministry. Miguel Angel has been a blessing in the church and is missed, but we are very happy that the Lord has called him for the ministry. Please pray for him.

We have started our children's Bible club again for this semester, and we have some new children attending. Please pray that the children will be faithful in attending and will make decisions for the Lord.

Please pray that the Lord will give us wisdom for the ministry, for the salvation of souls, and for the spiritual growth of the believers. We appreciate very much your prayer and financial support.

In His service,

Angel & Margaret Espada
