Sep-Oct, 2016

Dear Praying Friends,

Greetings from Romania! Thank you for your prayerful support of the Lord's ministry here in Romania. The weather has recently changed to late Fall weather. We have had some snow in the mountains and it should dip down to our first freeze tonight. With the cooler temps we can use the air conditioners that we installed in Ploiesti for heat.

It is time for us to be looking for Christian, evangelistic, calendars to give out in Sotanga, Targoviste and in Ploiesti. Last year I think we paid a \$1.25 per calendar. We would like to buy 1,000 calendars as well as 1,000 tracts to give out with the calendars. If we give Chick tracts out they would cost about \$150.00 per 1,000 tracts. Please pray with us that God would provide the funds needed for these materials to share the Gospel with one thousand Romanians.

We recently found out that Anitsa (the young woman with two young daughters) is sick with an illness that can cause cancer in women. I just purchased her prescription for her yesterday. She is also pregnant. She has relocated to Sotanga. We have known Anitsa since she was a young girl. Pray for her healing and for the salvation of the father of her children.

We are still not meeting in Targoviste for services. Please pray with us that we would restart the ministry there with God's help and provision.

The Church in Ploiesti has gotten more involved with the church that we have been helping in Bucharest. The missionary that started the Church is not able to return for health reasons. A young man (Petrika) from the church in Ploiesti has been filling in for the missionary. Now that the missionary will not be returning, the church in Bucharest has voted Petrika in as Pastor. Pray for Petrika as he serves in this capacity.

We will be returning to the States on furlough in December. We look forward to seeing many of you as we report on what God is doing here in Romania. Please pray that we can be used to challenge people for missions especially for service here in Romania as well as for safe travels in our return to the States. We have much to do as we prepare to leave.

Gica and his wife Ana have served with us for a long time in Sotanga and Targoviste. Recently Ana's Mother passed away. She was a saved woman but Ana is suffering the loss. They would appreciate your prayers.

Thank you again for your prayers and financial support. Without your partnering with us we could do nothing here in Romania. Please pray for wisdom, strength, provision and safety as we serve the Lord Jesus!

Your fellow servants,

Robin & Sally Burnett
