November 2016

Dear Friends,

We thank the Lord for His many blessings that He has given us during this year and have many reasons to thank Him every day. One of the blessings this month was to be able to celebrate Thanksgiving at church on the Saturday before with a meal and service which was well attended. We were also able to celebrate with family and friends.

In October we had our annual missions conference. We were blessed to have Dr. Johnny Daniels, a pastor with a passion for missions, preach in one of the services and Pablo Hernandez, a student preparing to go to the mission field, preached in another. We also enjoyed an international meal which the people in the church enjoy preparing. We praise the Lord that the church promised to give more to missions this coming year and that we were able to faithfully support our missionaries during this past year.

We thank the Lord that Jianka, a teenager in our church, made the decision to be baptized. Please pray for her that she can have a good testimony in the public school and that she will seek the Lord's will for her life.

I had the opportunity to preach in three services one weekend in International Baptist Church in Carolina. It was a blessing to be able to preach God's Word and to fellowship with those believers.

We are decorating the church for Christmas and preparing for some special services and activities in December. Please pray that people that we invite will come and hear the message of salvation.

We appreciate very much your continued prayer and financial support for the ministry here. We pray that you each have a Merry Christmas as we remember our Savior's birth and have a good year in 2017.

In His service,

Angel & Margaret Espada
