"For God Who commanded the light to shine out of darkness, hath shined in our hearts..." 2 Cor. 4:6

Dear Ministry Partner,

We praise God for leading you to partner with us in His work here in Kenya. Thank you so much for being a blessing.

On Nov. 26, 2016, we had the fifth commencement ceremony in our Bible College where Josiah teaches. The College, housed in our church had seven graduating. 4 with certificates and 3 with Masters degrees. Pastor Titus' wife Mrs. Esther and Peter Kimanzi from our Church were among those who graduated. The rest were from our sister churches that we closely work with.

*(IBCM Graduation Nov. 27, 2016)*

Dr. Steve Reynolds an IBM missionary was our commencement speaker. We consider training church planters and pastors to be one of the most important

ministries for our country. Moses, a young man from our church who has a degree in journalism plans to join our Bible College in January. He feels called to work with the young people.

*(Kids during the 5-day club)*

Last week was our kids vocational Bible school (5-day club). We had very good turnout of kids and workers. The numbers went to about 170 kids. Last Sunday following the 5-day club, 6 parents were brought to church by their children. On the visitors slips that we give out, at least 3 of them indicated that they desired to know more about Salvation. We plan to follow them-up.

In our Kitui church plant the Musembis are leading souls to Christ and discipling. With the building, we are almost done with the work of the rim beam in readiness for roofing. We praise God for the great help we have received from New Hope Baptist Church. Pray with us as we trust God to provide for us to complete the building.
