Dear Praying Friends,

Greetings from Oregon! We arrived in December and we have really enjoyed experiencing Christmas with our family here in Oregon. We think that this is only the fourth time that we have been in the States for Christmas in the last twenty-one years. Thank you for your prayerful support of the Lord's ministry in Romania. The weather there has changed to frigid winter weather with a lot of snow. Sounds similar to what we are experiencing here in Oregon as I write this letter and see the snow outside.

Today God brought me in contact with two Romanian women in McMinnville. It was a real blessing to speak with them in Romanian. One is visiting from Romania and the other lives here. She thinks she is the only Romanian living here and yet God directed our paths to meet! There are reported to be 30,000 Romanians living in the Portland area an hour from where we are staying.

Our thanks to all of you that helped, with the funds for the calendars and tracts. We were able to get them to Bro. Gica and over to Ploiesti just before we left Romania for the U.S.

On November 13 of 2016 we had planned a Thanksgiving meal at the Church in Ploiesti. In order to provide transportation so more people could come for the services we took our two seven passenger vehicles. We had Florin, a young member of our Church from Sotanga, driving our Romanian car. I sent him after a family and he was using the GPS on his phone. He went right through a stop sign and struck another car. Our daughter Nicoleta was in the car with Florin. She was injured in the accident and sent to the hospital with two other girls who were in the other car. Praise the Lord that they all recovered without any lasting injuries.

We have decided to repair the car and use it primarily for ministry needs between the different Churches that we are serving in. The cost to repair the car is estimated to be \$1,950.00 (in American dollars). While we are trying to get this car repaired we are also purchasing a car to use here in the States. It is a 2002, VW, Golf hatchback. It has a lot of miles but it runs well and gets good mileage.

As we experience these needs we turn to God in prayer for His continued provision. He is always faithful in every way and we are grateful for all that He does for us! We also want to thank each of you who prayerfully support our family and the Lord's ministry to the Romanian People.

We are still not meeting in Targoviste for services. Please pray with us that we could restart the ministry there with God's help and provision.

We look forward to seeing many of you as we report on what God has been doing in Romania. Please pray that we can be used to challenge people for missions especially to serve in Romania. Also for wisdom to discern God's will in future ministry decisions. My stateside phone number is 503-400-5938. I will be in touch with those churches that we have not yet scheduled a meeting in.

Thank you again for your prayers and financial support. Without your partnering with us we could not be reaching Romanians for Christ. Please pray for God's leading, strength, provision and traveling mercies as we serve the Lord Jesus.
