January 2017

Dear Friends,

It is hard to believe that we are already finishing the first month of this new year. Since no one knows how much more time we have to serve the Lord here on this earth before Christ returns, we are challenged to use our time wisely serving Him.

We finished 2016 with several Christmas services and activities. In December we had a night of praise to the Lord with church members using their musical talent, and it is always a blessing. Pastor Luis Cuadrado and his family joined us for this special service. We also had a special service Christmas morning with a small program. Also in the month the church family all got together at a home for a special time of fellowship besides singing in several other homes different nights. We finished the year with a New Year 's Eve service and fellowship.

This month we started our children's Bible Club and youth group again for this semester. Please pray for the salvation of the parents of the children that come and that the children will be more faithful in coming to church on Sunday. Angel has also started teaching another class in the Bible College. Please pray for these young men who are studying for the ministry.

We just finished our evangelistic services with Evangelist Lin Croxton. The preaching was a blessing to each one that attended. We are thankful for the visitors that came and for two men that trusted the Lord for salvation. Please pray for us as we follow up with these people.

We appreciate each one of you who sent special Christmas gifts for us. Please continue to pray for the salvation of souls and that people would have a desire to come to church to hear God's Word. We pray that each one of you has a good year with many blessings from the Lord.

In His service,

Angel & Margaret Espada
