NEW YEAR'S GREETINGS (2017)

(The Wambuas at a wedding)

Dear Ministry Partner,

We praise God for leading you to partner with us in His work here in Kenya. Thank you so much for being a blessing and for supporting us through 2016.

(Hanness & James during a wedding)

Our family is very appreciative of how God has graciously taken us through 2016.

As a family, we enjoyed spending time together in the December holidays. In the month of December, Josiah officiated two weddings. One was in a sister church, in the country side and the other in Nairobi. James and Hannes were part of the bridal party in a previous wedding. It was a good time for the family as we shared experiences together.

James tried to learn how to dig in the field using a hoe. We hope you received our last month's prayer letter, This was just a new year' greetings from us to you. THANK YOU!
